

## Remembering Brownie

The Mike Brown, Jr. Memorial Golf Outing was begun six years ago to honor the memory of "Brownie", who lost his life at the age of 18 on September 20, 2002.

Mike had lots of favorite things, but he mostly enjoyed helping others. He was a typical young guy who loved to eat, sleep, play sports, hang out with his friends and spend time with his brother and sister; but he was also a very remarkable young man who touched many lives.

Mike was a referee for local basketball groups and an umpire for Little League teams. He was a very proud member of the Crown Point Civil Defense and his goal was to eventually work for the FBI or in some field of criminal justice where he could help others. Mike was studying criminal justice at Indiana University Northwest and working at UPS to help pay his way through college when he was

taken in a tragic car accident on his way home from work. In the ultimate act of giving and helping others, Mike passed along the gift of life to four individuals who were waiting for life-saving transplants.

**I never knew Mike, but he is one of the most important people in my life...**

Mike's love, generosity and caring for others in life and in death allows me to be here today. Mike donated his organs so others could live. I was the fortunate one to receive his heart.

I will be forever grateful to this young man, whose life we celebrate annually by working and coming together to raise scholarship funds in his name. Supporting the Mike Brown, Jr. Scholarship Fund helps us all feel the joy that Mike felt by giving. Your donation will help give the young people of Crown Point the opportunity to pursue higher educational quests, just as Mike was doing at the time of his death.

Be like Mike... please give from the bottom of your heart!

Bob Roen
